

BENEFITS OF JOINING THE FORT WORTH VAQUEROS YOUTH CLUB

We Are Fort Worth! Our successful and professional soccer club is headquartered in Fort Worth. All trainings and operations are in Fort Worth. Bigger than just a youth club with NPSL Semi-Pro team! The Fort Worth Vaqueros have plans for a men's professional team, a women's semi pro team, and a future soccer specific stadium located in the heart of the city. Our youth players benefit from a multi level soccer organization where youth players get a free season seat to enjoy semi-pro Vaqueros soccer at TCU Soccer Stadium & Castleberry Stadium with their friends, family and teammates. We also provide a pathway to Professional and College teams through our coming soon NPSL U-16, U-19 and both Vaqueros semi professional and professional teams.

HOW FAMILIES SAVE MONEY

- 1 FTW Vaqueros club dues are less expensive than all major clubs in DFW.
- 2 FTW Vaqueros gear package through PUMA sponsorship is hundreds of dollars less than all other major clubs in DFW.
- 3 No need to collect extra money for the first tournament, it is paid for by the FTW Vaqueros.

COACHES

The Vaqueros invest in the coaches by providing funds for continuing education so they can continue to reach their maximum potential.

LEGACY

No other Youth Club has made the same investment as FTW Vaqueros have through the NPSL team, with elementary reading programs, career days, community soccer camps and charity fundraisers.

COMMUNITY

Join a Fort Worth club that has invested millions of dollars in growing soccer in Fort Worth over the last 10 years and will continue to do so for years to come. Your money stays in FTW.

NON-PROFIT

In 2018 the Vaqueros established a 501c3 non-profit that includes a high performance Youth Soccer Academy for area players, a training field called Vaqueros Field at Sycamore Park, an after school program called KICK 90, and other community programs that help grow the game in Fort Worth.
